SEMI-CUSTOM SHOWERS
ORDER FORM

Quote Number: DL-CUS-014252V4

1. All glass is 3/8" thick ANSI certified tempered glass
2. All measurements must be of finished walls
3. Custom glass panel sizes are configured based on hardware allowances. Standard DreamLine hardware is supplied, which may require some modifications in order to fit the height or width of the custom sized panel.
4. Hinged/Swing doors option only
5. Custom glass quotes are valid for 30 day from date of issue

Retail Price for above project is: **\$ 2,889.48**

Approved Drawing Process
If drawing accurately illustrates your measurements and specifications, sign this cover sheet and send all pages to CustomGlass@DreamLine.com or fax to 1-855-652-9523. Please allow 10-14 business days for custom glass production not including delivery.

Stop before you sign!!! Check all your final measurements!!! Does your final measurements match our quote?? Please note this is a custom glass order. Once glass is produced this order is not returnable!

Customer signature _____ Customer print name _____
Installer/contractor signature _____ Installer/contractor print name _____

By signing this document, you are accepting responsibility for the final configuration of this order. This is a custom order and is not eligible for return. Additional fees may be added to the order confirmation. Prices are subject to change at any time.

If changes are required, do not sign cover sheet. Instead, note all changes on the drawing and email to CustomGlass@DreamLine.com or fax to 1-855-652-9523

Please Note

A revised drawing will be returned for approval within 24-48 hours.
The order will remain on hold.
